TERMS—HOW TO ORDER

TERMS:—Cash with order, or 25% cash deposit and balance C. O. D.

All sales and quotations are made on a strictly cash basis regardless of the responsibility of the customer.

We make low prices. Guarantee full count, and render the best service possible.

All sales made subject to stock being unsold when order is received, or loss by any and all unavoidable causes.

HOW TO ORDER:—When ordering please give exact directions as to when and how you want goods shipped. Please order roses in bundles of ten or multiples of ten as our roses are tied and labeled ten to a bundle.

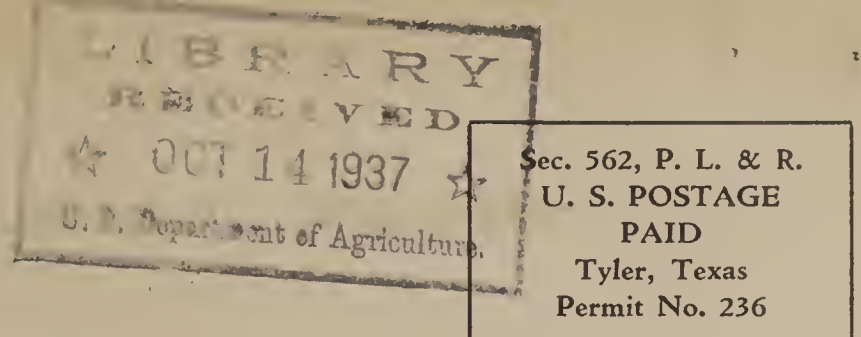

NOTICE—Special discount of 10% will be allowed on all orders when accompanied by remittance in full until November 15th.

WE GUARANTEE—Our roses to be 2-year field grown budded roses.

Our roses are budded on Multiflora Japonica root stock and the cuttings were de-eyed before planting which will eliminate practically all the suckers or seedling sprouts that quite often annoy the small and inexperienced rose grower.

All stock is guaranteed to be first class in every respect and well rooted.

PRICES—Are F. O. B. our Nursery at Tyler, Texas.

TO THE TRADE:

In presenting this, our annual fall trade list, we are proud to offer a general line of nursery stock, which has had a wonderful growing season and will merit the requirements of any standard grades or sizes. All stock is grown in our own nurseries and if you do not find what you want listed herein, write us, as we have many items which are not listed due to quantity.

We wish to advise our customers that THERE IS A VERY UNUSUAL SHORTAGE IN ROSES as well as some other nursery stock this season and we would advise you by all means to make arrangements for your season's supply at the earliest time possible. At the present trend Roses are due to advance in price after the first of January.

We wish to thank our many customers for their past patronage and trust that we shall continue to serve them in the same capacity, assuring you that all orders entrusted to us will receive our most careful and prompt attention.
